

Circular Optical Cable 387

Molex's circular MT cable assemblies offer a more robust MT ferrule-based interface versus ribbon-based optical interfaces, which have traditionally been rectangular.

Description: Amphenol offers a multi-channel circular connector with high density MT fiber optics. This connector uses MT ferrules.

High-quality, ruggedized connectors for demanding applications. Shop our MIL-DTL-38999 Series 8 Pin Plug Fiber Optic Cable Assemblies today.

Designed with rugged and compact housings, Molex's optical industrial cable assemblies incorporate the high-performance of a fiber optic connection with the versatility of a rugged industrial connector and ...

The 387TV Series is a micro-miniature connector size 7 that offers high-speed data transmission in a small package. The 387TV Series connector is an excellent choice for applications that require high ...

387 Series Circular MIL Spec Backshells are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for 387 Series Circular MIL Spec Backshells.

NEW EMC 038-003-387 1 Meter 27 AWG HSSDC TO HSSDC Fiber OpticChannel Cable-.

Amphenol Aerospace multi-channel circular connectors with high-density MT fiber optics are ideal for harsh environments in military and aerospace applications.

Learn more about fiber optic cable components and assemblies here.

Backshells and Other Connector Accessories for the Broad Range of Circular Mil-Spec and Commercial-Grade Connectors including MIL-DTL-38999, MIL-DTL-5015, MIL-DTL-28840, and Others
