

## Cost-based laser diode SFP

From cost-effective VCSEL or FP-based SFP modules for everyday networking to high-performance DFB and EML-based units for demanding, long-distance deployments, LINK-PP ...

FiberPlex Technologies Data SFPs are fully compliant with SFF-8074i. The pinout for these SFPs can be seen in the table below. The FiberPlex line of SFP Modules supports a host of data rates, ...

In order to help, we put together a short list to help you at least figure out how much a "class" of laser diode might cost. This list is a rough guide of pricing by package style and output power for 808, 915, ...

Diode lasers are the most common type of laser and are used in multiple applications due to their small footprint and low cost. We offer Laser Diode Modules with free space or fiber coupled output for ...

Shop DigiKey's large in-stock selection of Laser Diodes, Modules. View inventory, pricing and order now for same day shipping!

Laser diodes are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ...

From cost-effective VCSEL or FP-based SFP modules for everyday networking to high-performance DFB and EML-based units for demanding, long ...

These small Fabry-Perot (FP) and Distributed Feedback (DFB) InP laser diodes are ideal sources for short to medium-reach datacom. The FP models offer low cost with no need for an optical isolator. ...

CHIP-650-P10, 650 nm, 10 mW, laser diode chip, sm (no guarantee on bare dies!) CHIP-650-P30, 650 nm, 30 mW, laser diode chip, (no guarantee on bare dies!) CHIP-660-P100, 660 nm, 100 mW, laser ...

The optimal values of these components depend on the length of the laser leads/flex and can vary from one family of lasers to another. It is up to the user to tune the values in order to achieve the best ...

Semtech's Laser Driver and Transceiver IC family includes superior laser drivers and receivers integrated for low cost, high performance optical communications systems.
