

Current Status of Relay Protection in Mali

Under military rule since 2021, Mali remains trapped in a worsening cycle of conflict, further complicated by weakened international support and diplomatic friction.

Mali's humanitarian crisis deepened in September as violence, displacement, and the collapse of basic services left women and girls at growing risk.

Mali has been paralysed by a fuel blockade, which has disrupted transport, schools, hospitals and more.

By late August, over 737,000 Malians were displaced within and outside of the country and 1.5 million people faced acute food insecurity. The military junta, which came to power in a 2021 coup,...

In the Sikasso region, essential infrastructure for humanitarian operations was targeted, notably GSM antennas in the localities of Doumanani (Miria commune), Tella (Tella commune), ...
