

Electronic Distribution Box Sealing Wax

Technologically advanced epoxy formulations play an essential role in the protection of electronic components. As applications become increasingly demanding, the need for higher performing ...

Some of our specialized waxes include natural wax, machinable wax, paraffin, and microcrystalline. CALWAX's international base of customers ranges from sole proprietors to large publicly held ...

Choose from our selection of electrical box gaskets, including corrosion-resistant washdown enclosures, outlet boxes and covers, and more. Same and Next Day Delivery.

Henkel's polyurethane or silicone sealing foams protect the electronics in control cabinets and electrical distribution boxes against external influences, such as moisture and dust, which can cause against ...

Seal & Design offers electrical enclosure gaskets for NEMA and IP-rated enclosures. Custom-cut, EMI-shielding, and weather-resistant solutions available.

Epoxy potting compound designed for electrical applications. Cures with a high gloss shiny finish. Excellent electrical properties with heat resistance to 130cel.

All enclosure gaskets and seals produced by Custom Gasket Mfg. are rigorously tested to meet the demands of the most challenging electrical and electronic needs.

Choose from our selection of electrical enclosure seals, including gasket tape for enclosures, washdown hole plugs, and more. Same and Next Day Delivery.

Water-proof and hermetic electronic encapsulation of circuit board assemblies. CircuitSeal(TM) is the process of hermetically sealing and encapsulating connectors ...

Liquid Electrical Tape - Waterproofing insulating electrical glue, Quick-Drying wire glue, Temperature Resistant, Used for Outdoor Indoor Wires, Electronic Component & Electrical Equipment (125ml)

Water-proof and hermetic electronic encapsulation of circuit board assemblies. CircuitSeal(TM) is the process of hermetically sealing and encapsulating connectors and electronic circuits within a low ...
