

Georgian manufacturer of intelligent PDU meter heads

A Metered Intelligent PDU provides detailed insights into power consumption at different levels, including inlet-level and outlet-level metering. This level of granularity enables administrators to accurately ...

GELU Systems introduces a new line of intelligent PDUs with switched and metered outlets. Tri-color lighted outlets bring a new level of visual status with 360 degree viewing angle.

Metered rack PDUs provide power usage data to support data center managers in making informed decisions about load balancing and proper IT sizing, thereby significantly reducing total cost of ...

Elcom Smart PDUs add intelligence to rack power distribution that improves Power Usage Effectiveness at Data Center. Managers can remotely measure, monitor and control - how and when the power is ...

Intelligent Power Distribution Units - Switched, Metered & Monitored PDUs for Data Centers, Telecom, and Industrial applications. Remote power control, real-time energy metering, SNMP/Modbus ...

We specialize in the production of Basic PDUs, Intelligent PDUs, Hybrid ATS units, Environmental Monitoring Systems, Battery Management Systems, Leak Detection Systems, Central Management ...

Custom PDUs, smart PDUs, and basic PDUs for industrial, military, aerospace, and OEM applications. We specialize in integrating power conversion, conditioning, and custom controls into application ...

Modular, compact intelligent PDU with inlet metering. Ultra-Low Profile Design. Reduce IP addresses by Daisy Chaining up to 64 PDU"s.

Server Technology produces the highest quality Data Center rackmount power distribution units (PDUs) and monitoring solutions.
