

Huawei Core Switch 5750

S5700 Series Campus Switch: Access product manuals, HedEx documents, product images and visio stencils.

With multiple industry-leading intellectual properties and patents, Huawei provides more than a hundred switch models in more than 10 series, including access, aggregation, and core switching.

The customer concluded that core, aggregation, and access switches needed to be replaced, and chose to build a gigabit-to-desktop network to ensure reliability of services and applications and to reduce ...

S3700& S5700& S6700 Series CloudEngine S5755-S: Access product manuals, HedEx documents, product images and visio stencils.

Huawei campus switches are ideal for building future-proof campus networks with simplified management, high reliability, and service intelligence, across industries such as enterprises, ...

Huawei S5700 series Ethernet switches are next-generation energy-saving GE switches designed to provide high-bandwidth access and Ethernet multi-service aggregation. Based on cutting-edge ...

Based on Huawei's unified software platform and powered by high-performance programmable chips, the switches support advanced features such as application identification, VxLAN, SRv6, network ...

Built on next-generation high-performance hardware, the S5700 provides large capacity, high reliability (two power slots and hardware-based Ethernet OAM), and high-density GE and multi-GE ports, as ...

The switches are built on an integrated hardware platform, and their hardware system consists of the chassis, power module, fan module, extended cards, and Switch Control Unit (SCU).

With these merits, the CloudEngine S5755-S can function as core switches for small-sized campus networks and branches of medium- and large-sized campus networks, and also work as access ...
