

Industrial-grade ring network switch with 4 optical and 4 electrical components

The ISM5026U with 2*100/1000Base SFP Ports, 4*Optical Multiplexing Ports, 20*10/100/1000 Base-T (X) Adaptive RJ45, is a managed industrial Ethernet switch designed to meet industrial application ...

The IGS-6325-4T2X is among PLANET's first Industrial-grade, Multi-Gigabit Managed Ethernet Switch that features four 2.5GBASE-T ports, two 10GBASE-X SFP+ ports and Layer 3 IP routing in a rugged ...

In response to the growing demand for IIoT (Industrial Internet of Things) infrastructure, the IFGS-620TF is designed for easy deployment of industrial networks with its Plug and Play capability. Furthermore, ...

This industrial gigabit ring switch is equipped with 4 gigabit SFP optical fiber interfaces and 4 gigabit Ethernet electrical ports. It supports plug-and-play functionality and has ring network capabilities.

Extreme Industrial Switches are an excellent choice for industrial environments, including intelligent transportation systems, utilities, and smart cities. Full redundant ring technology creates fault- ...

H3C IE4300 series industrial switches adhere to industrial grade hardware design and adopts highly reliable industrial grade components, while using the highly developed and tested Comware platform ...

Install this hardened grade network switch to fit harsh industrial environments, get a manageable network system with redundancy via simple installation, and benefit from the < 20-msec fast ring ...

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

Find the perfect connection for every industrial application - from the automotive and chemical industries to the manufacturing and process industries. These solutions are designed for use at all network ...

It is equipped with 4 SFP+ optical ports and 4 10/100/1000M Base-T adaptive electrical ports. It has advanced hardware processing capabilities and the richest business features.

Industrial-grade ring network switch with 4 optical and 4 electrical components
