

# ODM Optical Network Switch 25G

Explore the details, specifications and video of our CWDM 25G SFP28 Optic Transceiver Module 1350nm 10KM, and order high-quality CWDM 25G SFP28 Optic Transceiver Module 1350nm 10KM ...

25G DWDM SFP+ 80KM Optical Switch Ethernet Module DWDM SFP optical module is an indispensable component in a DWDM network. It uses DWDM wavelengths and has 40 commonly ...

FibreCross provides a variety of customization options for 25G optical transceivers to meet your unique needs. You can adjust the wavelength, transmission distance, branding, and packaging according to ...

At ETU-Link Technology Co., Ltd., we specialize in high-performance 25G optical transceivers designed for optimal reliability and connectivity. Our advanced technology ensures superior data transmission ...

FS 25Gb Switches offer high-speed, high-density, and cost-effective upgrades for flexible bandwidth in existing enterprise campus networks.

Backed by strong engineering and manufacturing experience, Jeetronics was established to deliver the high quality and reliable networking product solutions to the marketplace and customers with cutting ...

SFP28 optical transceiver modules provide a transmission rate of 25 Gbps and use LC connectors. 25G BiDi transceivers always require paired sets: a -U must pair to a -D on the opposite end of the BiDi ...

Lanbras is a leading manufacturer of advanced optical and ethernet transmission solutions, specializing in the design, development, and manufacturing of high-performance network ethernet switch products.

The 25g SFP28 modules produced by SULITON are suitable for most switch brands on the market, such as MSA, Cisco, Huawei, Juniper, Dell, Edge-Core and other switches.

The LR SFP28 module provides a 25 Gb optical Ethernet connection using LC duplex optical connectors over SMF (single-mode fiber). One data lane operates in each direction, at 25.78 Gbps using single ...
