The First Suspension Glass Bridge in Guangxi
Pingjiang Shiniuzhai Glass Bridge in Hunan
One of the first of the high glass bridges to be built is 300 meters long, 180 meters above the ground, and is at Pingjiang Shiniuzhai in Hunan Province, strung between steep canyon walls. Originally built with wood, it was converted to a glass bridge in 2014, and is sometimes called "Brave Man's Bridge" because of the courage needed to cross it.
