

Two-in-six-out optical cable junction box

GJS-2020 Optical Distribution Box (ODB) is high-density 2in 2out fiber box solution. Designing with a compact size of 340x220x100mm, the cabinet accommodates 1x2,1x4,1x8 and 1x16 splitters.

Outdoor IP65 2 IN 2 OUT 16 Cores FTTH Fiber Terminal Optical Box with 16pcs flat drop cable to the home, this kind of junction box is used as a termination point for the feeder cable to connect to the ...

The 2 in 2 out fiber distribution box is designed for the joint of feeder cable and drop cable, which can facilitate the installation of optical cable termination in branch networks.

We offer a wide range of 1-24 core FDB boxes and ODF cabinets for indoor/outdoor FTTX deployment. Durable, IP65 rated, and easy to install. Browse our models and get a wholesale quote.

This 12 port fiber access terminal box is designed to connect feeder cables to subscriber drop cables for FTTH last-mile fiber connectivity. It integrates fiber splicing, optical signal splitting, termination and ...

Optical cable joint box is suitable for the installation and use of overhead, pipeline, direct burial and other laying methods in communication, broadcasting and television optical cable lines

MR398-JB series fiber optic junction boxes are designed to join two fiber optic cables and environmentally protect the connection. The junction boxes are designed to seal the incoming cables ...

The junction box supports, organizes, and protects optical fibers while ensuring their minimum bending radius is not exceeded. It's rated IP65 and provides entry for all cables, including number tags for ...

This 12 port fiber access terminal box is designed to connect feeder cables to ...

Riteoptic fiber optic cable joint box provides optical, sealing and mechanical strength of the continuity between adjacent fiber optic cable connection protection device.

Suitable for wiring connections between optical cables and optical communication equipment. Through adapters in the wiring box, optical signals are led out using optical jumpers to ...

Two-in-six-out optical cable junction box
